FLORISTS' WHOLESALE PRICE LIST

Spring 1926

TERMS OF SALE

Orders from unknown correspondents must be accompanied by cash or satisfactory reference.

60 days net; 2% 10 days. Orders to be sent C. O. D. must be accompanied by cash to one-fourth of the value of goods ordered, to guarantee acceptance.

Prices. Prices of plants as quoted, are for plants from 2½-inch pots, except where otherwise noted.

Prices quoted in this catalogue are net; subject to no discounts. 5 of a kind will be furnished at dozen or ten rate, 25 at hundred rate, and 250 at thousand rate if listed. Less than 5 of a kind is not wholesale; but will be computed at such discount from retail prices as character of the order justifies.

For wholesale rates on Fruit Trees, Vines, etc., and Hardy Ornamentals of all classes, see our Trade List No. 4.

On seeds in packets, a discount of 30 per cent will be made from the packet prices in spring retail catalog.

Shipments. Our responsibility for delivery of stock ends when shipment has been delivered in good condition to the transportation company. If stock is not received in good condition, any claim for adjustment of loss or damage is a matter between the consignee and carrier.

Non-Warranty. While we hold ourselves in readiness, on proper proof, to replace free of charge all trees, etc., that may prove untrue to label, or refund the amount paid, we give no warranty expressed or implied as to description, quality, productiveness or any other matter of any Nursery stock, seeds, bulbs, or plants we sell.

FIGUS

(Rubber Plant)

Repens (Trailing Rubber Plant)—Small, dense foliage and vigorous vining habit; excellent for covering conservatory walls. Where hardy (in the South) it corresponds to our Boston Ivy. 2 inch pots, \$10.00 per 100.

FUCHSIAS

These charming old-fashioned flowering plants have an important part in the make-up of boxes, urns and baskets, while many patrons still cling to them for ordinary decoration.

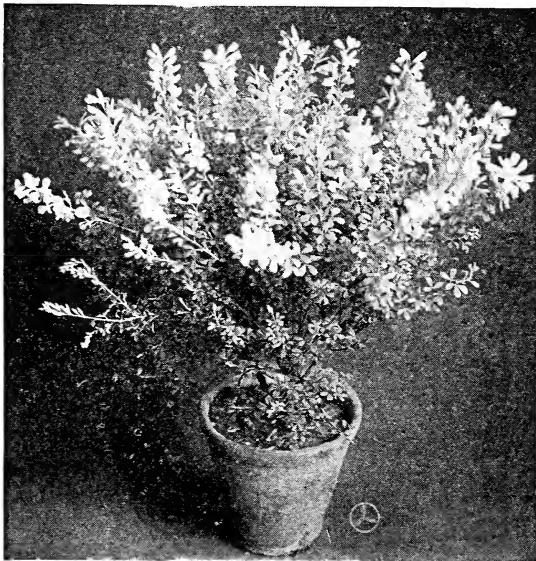

Black Prince—Well expanded single flowers all over rich carmine-lake.

Speciosa—Single; pale carmine sepals, deep scarlet corolla. Foliage is red veined and attractive. 2½ inch pots, \$6.00 per 100.

Little Beauty—After March 1st, 2 inch pots, \$7.00 per 100.

Single Fuchsia—Speciosa

GENISTA

Genista Racemosa

Racemosa—As we grow this brilliant little pot plant specially for the Florist trade—densely branched, compact, evenly rounded—the blooming plants sell on sight. The best bright yellow pot stock for early spring sales. 2½ inch pots, \$8.00 per 100; \$75.00 per 1000.

Johnstoni—A handsome new sort with more blue in the foliage; dwarfer, more compact and easier to trim to that desirable ball shape; and later to bloom. 2½ inch, \$8.00 per 100. 3 inch, \$20.00 per 100. 4 inch, \$4.00 per dozen.

GLADIOLI

S. & H. "OLD GLORY" MIXTURE

We claim this to be one of the finest mixtures of distinct Gladioli ever sent out. It is not a block of casual seedlings, but a carefully created mixture of distinct named varieties, embracing a wide range of colors. \$3.00 per 100; \$25.00 per 1000.

STANDARD MIXTURE

Of Large Flowered Gladioli

A good ordinary mixture, such as usually sent out by Gladiolus growers; all colors. \$1.75 per 100; \$15 per 1000.

GLADIOLUS PRIMULINUS

A comparatively new class of Glads, bearing generally smaller flowers on smaller spikes, but of real value because of their long blooming season, productiveness, rich markings, and their introduction of those delightful tan and yellow and orange shades so serviceable for Florist's use.

NAMED VARIETIES

Per 100

Alice Tiplady—Choice large flowered. Beautiful orange saffron. Wonderful as a cut flower. Makes up well in funeral work. Awarded hundreds of flower show prizes. \$45.00 per 1000.....\$ 5.00
Maiden's Blush—Earliest; Enchantress pink..... 5.00
Orange Brilliant—Early and very showy..... 5.00
Queen Victoria—Outer petals glittering pink, throat silvery rose; super-profitable cut flower... 5.00

"BUTTERFLY" MIXTURE

Of the New Primulinus Types

Now that the number of varieties in this admirable new class have increased, some of the surplus named varieties, and many new seedlings as yet unnamed, can be thrown into a general mixture such as this—which will reveal all of the "Butterfly" shades and markings peculiar to the type—at a cheaper price than the named list of the season. \$2.00 per 100; \$17.50 per 1000.

"PRIMULINUS HYBRIDS" MIXTURE

This new "Primulinus" class of Glads, recently introduced from South Africa, has become quite the vogue for table decorations; the prevailing yellow-orange tango-tan shades making a fine effect under artificial light. This is a general mixture of various shades typical to the class, and all delightful. \$1.75 per 100; \$14.00 per 1000.
